Attorney Docket No.: 4110-220U1 (378(1))

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. §1.97(b)

The five U.S. patents listed on the attached Information Disclosure Citation Form PTO/SB/08A may be material to the patentability of this application and/or there may be a duty to disclose in accordance with 37 C.F.R. §1.56.

The last four listed U.S. patents were cited in a foreign communication (copy enclosed) from the International Searching Authority concerning counterpart International Application No. PCT/US03/33410.

The filing of this Supplemental Information Disclosure Statement shall not be construed as an admission that any of the listed documents constitutes prior art, nor as an admission against interest in any manner.

In accordance with the Official PTO waiver, copies of the U.S. patents listed on the Form PTO/SB/08A are not attached. The official waiver withdraws the requirement under 37 C.F.R.

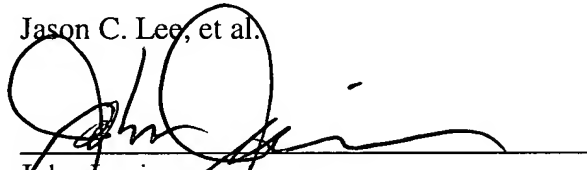

§ 1.98(a)(2)(i) for submitting copies of each listed U.S. patent and application for applications filed after June 30, 2003. A copy of any of the listed patents will be provided upon request.

No fee is believed to be due in connection with the filing of this Supplemental Information Disclosure Statement since it is being filed before the mailing date of the first Office Action on the merits. However, the Commissioner is hereby authorized to charge any deficiencies or credit any overpayments to Deposit Account No. 50-1017.

It is respectfully requested that this Supplemental Information Disclosure Statement and the documents listed on the attached Form PTO/SB/08A be considered and acknowledged by the Examiner in connection with the above-identified patent application, be made of record therein, and that the listed document(s) be cited in the issued patent.

Respectfully submitted,

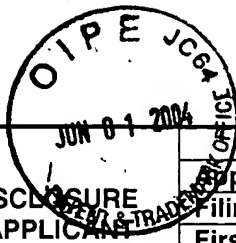

Jason C. Lee, et al.
